Terms of Use

Conditions of access and use of the Website

The user agrees to make diligent use of it and of the services available from this Web Site, in full compliance with the law, morality and the General Conditions and, where appropriate, particular conditions, as well as keeping the due respect to other users.

It is expressly forbidden to use any other than the purpose of this website.

In this regard, the user waives use any of the materials and information contained on this website for illegal and expressly prohibited by these Terms of Use and to the special conditions, if any, are enabled to be contrary the rights and interests of aMSP, its members and / or third parties, and must respond to them in case of contravention or breach of obligations and / or which in any way (including the introduction or spread of "computer viruses "), damage, disable, overburden, impair or impede the normal use of the materials and information contained on the Website, information systems or documents, files and all kinds of content stored on any computer (hacking) aMSP, its members or any user of the Website.

In general, the provision of services does not require prior subscription or registration of users. However, aMSP conditions the use of some services to the prior completion of the registration of user, selecting the identifier (ID or login) and the password that the user agrees to keep and use with due diligence.

aMSP assigned the identifier selected by the user as long as there has previously been selected by another user. Using the password is not transferable, not being permitted to transfer, even temporarily, to third parties. As such, the user must take the necessary measures for the custody of the password selected by him, avoiding the use of it by others. Consequently, the user is the sole responsible for the use of the chosen password, with the complete indemnity of aMSP. In the event that the User knows or suspects that third parties are using their password, they must communicate the facts to aMSP as soon as possible.

The register shall be in the manner indicated in the service or in the Special Conditions, if any, regulate it.

All information provided by the User through the services must be truthful. For this purpose, the User guarantees the authenticity of all data communicated as a result of completing the forms necessary for the subscription of the Services.

Similarly, the User's responsibility to keep all information provided to aMSP constantly updated so that it responds at every moment to the situation of the User. In any case, the User shall be solely responsible for any false or inaccurate statements made and the damage caused to aMSP or others for the information provided.

Under the anti-spamming policy aMSP User agrees not to use and collect data from the distribution lists that can be accessed through the information and services contained on the website for the realization promotional activities or publicity purposes and to send commercial communications of any kind and through any medium not previously requested or consented to by aMSP and / or stakeholders. The user who intentionally or culpably breaches any of the foregoing obligations liable for all damages caused.

Exclusion of guarantees and responsibility

Except where expressly described in the Terms of Use and the rest of the regulatory framework, the Site, aMSP not responsible for damages of any kind that may result from the lack of accuracy, completeness, timeliness, and errors or omissions that could affect the information and services contained in this Website or other content which may be accessed through the same or assume any duty or obligation to verify or monitor the content and information.

Also, aMSP not guarantee the availability, continuity or infallibility of the operation of the Website, and accordingly excludes, to the fullest extent permitted by law, any liability for damages of any kind that may result from the lack of availability or continuity of operation of the Website and the services provided in the same, as well as errors in the access to different web pages or those from which, where appropriate, such services are rendered.

aMSP excludes any liability for damages of any kind that may result from the services provided by third parties through this Website as well as the media to enable them to manage service requests, specifically, without limitation not limited to: for acts of unfair competition and illegal advertising as a result of the

provision of services by third parties through the website, as well as the lack of truthfulness, accuracy, completeness, errors, defects, relevance and / or timeliness of content transmitted, distributed, stored, received, obtained, made available or accessible through the services provided by third parties through this website.
